Profile

Entry-level Data Scientist with hands-on experience in Python, SQL, and machine learning. Proven ability to lead workshops, mentor aspiring technologists, and deliver applied projects in AI, data analysis, and digital literacy. Skilled at transforming raw data into insights and building practical solutions with real-world impact. Passionate about applying data science in healthcare, education, and community development.

Professional Experience

02/2024 – 04/2025
Bambili, Cameroon

Data Science Supervisor
Traitz Tech
- Supervised a team of interns on machine learning and analytics projects, improving model accuracy and data quality.
- Designed internship programs aligned with company goals, increasing project delivery efficiency by 20%.
- Guided data teams through the full ML pipeline (data prep → analysis → model deployment).

05/2024 – 04/2025
Lebanon

Tech Course Content Creator
MetaBrains – Remote
- Developed and published structured course materials on Generative AI, Data science and Machine Learning, reaching 500+ learners.
- Integrated cutting-edge AI trends to ensure course relevance and learner career readiness.
- Collaborated with educators to align training content with job-market needs.

03/2024 – 03/2025
Bamenda, Cameroon

Data Science Mentor
Growing Girls In tech
- Mentored 30+ students in Python, ML fundamentals, and applied analytics.
- Created tailored learning paths, boosting participant retention and confidence in technical skills.

06/2024 – present
Bambili, Cameroon

Organizer/Mentor
Google Developers Group Bambili
- Facilitated community workshops on Python, ML, and AI concepts with 250+ participants.
- Led projects applying data science to real-world challenges (education, local business).

01/2024 – present
Bambili, Cameroon

Lead
WomenTechMakers ⧉
- Organized tech workshops and events that introduced 200+ women to careers in AI and Data Science.
- Built an online knowledge-sharing community, growing engagement by 40%.

02/2024 – present
Bamenda, Cameroon

Assistant Program Manager
Her Blueprint Africa
- Coordinated leadership and digital literacy programs that reached 200+ young women.
- Launched digital literacy workshops, equipping participants with core tech and online safety skills.

Education

11/2023 – present Bamenda, Cameroon	**Masters Degree in Data Science** *The University of Bamenda, Cameroon*
10/2020 – 10/2023 Bamenda, Cameroon	**Bachelor's degree in Software Engineering** *The University of Bamenda, Cameroon*
